DIVISION OF
OIL GAS & MINING

Dear Pamela:

Re: Division Order DO-92A, BTCA Areas, Division Order DO-92B, Stream Buffer
Zones, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Emery County,
Utah

This letter is to confirm in writing a request to extend the due date on the referenced Division Orders to 8 May 1992. This request is made to better coordinate two issues with deadlines on the same date, Division Order DO-92C and modified NOV #N92-40-9-1. Each of these issues involve revision of similar maps. Combining the due dates will allow for reduction of duplicated efforts and eliminate submitted plates and text that will be outdated in one weeks time.

I understand from our conversation by phone this morning that this will be acceptable to the Division. Please notify me if there are any questions.

Thank you,

Kimly C. Mangum, P.E.
